Fast fixed fee probate

It's always nice when something new comes along, particularly in the slow moving world of probate law. We have decided to liven the probate market up for the benefit of our clients. We are proud to launch our new **fast fixed fee probate service**.

More and more people are obtaining grants of probate themselves and are finding the process complicated, time consuming and, more importantly, upsetting.

Executors often turn to this option because of a fear of legal fees being excessive. Our **fast fixed fee probate service** means you know from the outset the cost involved. For example for an estate valued at under **£300,000** our charges are fixed at **£3000 + vat**.

Why not compare our costs and service with others. Other solicitors will charge an hourly rate for as long as it takes and even a percentage of the value of the estate on top. Banks base charges on the size of the estate. (Prices correct as of 2009)

Company	Fee breakdown	Cost on an estate of £300,000
Barclays	£750 + 3.5% on the first £250,000 then 1.5% on the next £750,000	£9,500 + vat
HSBC	4% on the first £250,000 + 1% on anything over £250,000	£10,500 + vat
Lloyds TSB	4% on the first £500,000 and then 3% up to £1,000,000	£12,000 + vat
Natwest	4% below £250,000 and then 2% on anything above £250,000	£11,000 + vat
Gard & Co.	Fixed fee	£3,000 + vat
